**VICTORIA R.**

WHEREAS it has been found expedient to revise the Regulations under which Pensions and Allowances are granted on account of Wounds received in Action by Officers of our Land Forces: our will and pleasure is, that from and after the date hereof this our Royal Warrant, to be administered and interpreted by our Secretary of State for War, shall be the sole and standing authority upon the matters herein contained, and shall take effect from the 28th March, 1854.

Given at our Court at St. James's, this 13th day of June, 1857, in the twentieth year of our reign.

By her Majesty's Command,

PANMURE.

*Pensions and Allowances to Officers of the Land Forces, limited to Wounds and Injuries received in Action.*

*Gratuity of One Year's Pay.*

1. If an Officer shall receive a wound in action, which shall occasion the loss of an eye or a limb; or shall lose thereby the total use of a limb; or shall receive bodily injury equal in its consequences to the loss of a limb, he may be eligible to receive a gratuity in money of one year's full pay of the Regimental rank or Staff appointment held by him at the time he was wounded, for the loss of such eye or limb.

*Temporary Pension.*

2. If an Officer shall be wounded in Action, and it shall be reported by a Board of Army Medical Officers assembled by order of the Secretary of State for War for the personal examination of such Officer that he has, in consequence of his wound, lost a limb or an eye; or has totally lost the use of a limb; or that he has sustained a severe injury in action, equal to the loss of a limb, he may be recommended to her Majesty for a pension, at the rate fixed in the annexed Scale for the rank held by him when he was wounded, and commencing one year after the wound was received; the continuance of which shall depend upon the subsequent examinations and reports of a Military Medical Board, which the Secretary of State for War may appoint at any time for this purpose.

*Loss of more than One Limb or Eye.*

3. If the Officer shall have lost more than one limb or eye, he may be recommended for a pension for each limb or for each eye so lost in action.

*Temporary Pension or Gratuity of Eighteen Months' Pay.*

4. If the wound received by an officer in action shall be so severe in its permanent effects as to be nearly equal, but not equal, to the loss of a limb, and the injury shall be reported by the Military Medical Board as materially interfering with the capability of following his profession or gaining his livelihood, he may be recommended to her Majesty for a temporary pension for two years, the continuance of which shall depend upon subsequent examinations before a Military Medical Board; or, he may be recommended for a gratuity of eighteen months' full pay of his Regimental Rank or Staff appointment held by him when wounded, in which case no pension shall be granted to him under this regulation, unless he refund six of the eighteen months' gratuity which may have been awarded to him.

*Expense of Cure.*

5. If any wound received in action shall be certified to be severe and dangerous, but in its permanent effects not equal to the loss of a limb, the Officer receiving such wound may, in consideration of the expense attending the cure thereof, receive a gratuity, varying, according to the nature of the case, from three to twelve months' full pay of the Regimental rank or Staff appointment held by him at the time he was wounded.

*Permanent Pension.*

6. If an Officer shall have held a pension for a wound received in action for a term of five years, and shall have been examined twice at the least before a Board of Army Medical Officers, he may be recommended for the permanent continuance of such pension; but if the Officer, before the expiration of the term of five years, shall have so far recovered, that his wound or injury is not equal to the loss of a limb, then he shall cease to receive such pension, and shall have a gratuity of full pay according to the degree of his injury, as laid down in Article 5.

*Limit of Application for Pension.*

7. If within the period of five years after a wound has been received, an Officer shall not apply for the pension, or, on his so applying for it, the wound shall not have been proved to be permanently equal to the loss of a limb, such Officer's claim to a pension shall not at any subsequent period be entertained.

*Limit of Application for Gratuity.*

8. No gratuity or allowance for any wound shall be granted after the lapse of five years from the time the wound was received.

*Loss of Vision.*

9. No pension for the loss of one eye, from a wound received in action, shall be granted unless the actual loss of vision shall have occurred within five years after the wound was received, and be solely attributable to such wound.

*Brevet Rank.*

10. As a general rule, the pension shall be granted according to Regimental rank; but in cases in which officers with Brevet rank shall have been employed at the time they were wounded in discharge of duties superior

to those attached to their Regimental commissions, the gratuities and pensions shall be given according to the rank they held by Brevet.

*Pensions tenable with Pay.*

*Horse Guards, 13th May, 1857.*

WHEN Regiments or armed detachments are ordered on foreign service, application is to be made to the Adjutant General, according to the prescribed form, for Service ball-cartridges, at the rate of twenty rounds per man for Serjeants and sixty rounds per man for rank and file, being put on board the vessels in which they are to be conveyed to their destination, and which will be provided with magazines, or other means of stowing the same in security. Previously to embarkation, the ammunition in possession is to be given into the nearest military store, and Officers commanding at ports of embarkation will be instructed to ascertain that the requisite supply has been duly shipped.

On passages coastwise, which are for the most part performed in vessels having no magazines, the pouches are to be taken from the men before they are allowed to go below, and stowed away, under proper charge, in some secure part of the ship.

General No. 280

Riding Establishment

C.—14

1

Horse Guards, 14th May, 1857.

HIS ROYAL HIGHNESS the General Commanding-in-Chief, with a view to render the training of horses more effective, and to improve the riding of Officers and Men in regiments of Cavalry, is pleased to order that the following Regulations be strictly enforced:—

1st. That the selection of Non-commissioned Officers and Soldiers for the Riding Establishment at Maidstone be made with the greatest care. That active and intelligent Dragoons only are to be detached on this most important duty. With regard to the horses, they must be well made, young, and with good action, and the Orders laid down on that head in the Queen's Regulations, page 378, are to be strictly attended to.

2. That at all stations, whether a Riding School is attached to the barrack or not, an open manege be established.

3. That during the winter and spring—say from 1st November to the end of May—Riding drill be attended to, to the total exclusion of regimental Field exercise.

4. That during that period the regiment be broken up into riding squads.

5. That the trained Officers attend all riding drills with their troops, instead of by classes as heretofore, the young Officers not dismissed drill with recruit squads of their respective troops.

6. At Inspections, Officers will be prepared to ride as a Class.

7. That troops be kept off duty as much as possible in succession for riding drill.

8. That every Captain or Officer commanding a troop, during the course of instruction by the Riding Master, be required to attend the Riding School with his troop, and put it through the whole course of single and double ride.

9. That the whole system of riding instruction taught at Maidstone be strictly, and not in part only, carried out in every regiment.

10. Watering-order parades to be discontinued altogether. Riding drill, in school or manege, to be substituted as much as possible. Horses to be always exercised saddled, under an instructor, to prevent lounging and slovenly riding.

11. A Non-commissioned Officer of each squadron to be qualified as an instructor in the Riding School, and to accompany the squadron on detachment, to keep up the riding of the men and the breaking in of horses.

12. Commanding Officers must dismiss from their minds the prejudice of "breaking horses too fine." It is a mistake to suppose that any amount of judicious breaking can injure a horse or unfit him for Cavalry purposes. Horses are not fit for the ranks unless perfectly obedient to hand and leg; such horses must necessarily work steadier and closer in field movements.

13. When the schooling of Officers and Men has terminated, and the Commanding Officer is satisfied that the whole course of training has been completed, the regiment may be put together for Field exercise.

14. Commanding Officers will then make application for Riding Masters to be sent to Maidstone with their own horses, there to keep up their training.

15. Whenever practicable, it is highly important that troops should be exercised over jumps, hurdles, ditches and trunks of trees.

By Command,

G. A. WETHERALL,  
Adjutant General.

Sir,

War Office, 1st June, 1857.

THE number of Non-Commissioned Officers allowed on the Establishment of the Permanent Staff of the Militia being in several Corps still incomplete, I am directed by Lord Panmure to acquaint you that his Lordship, with a view of affording greater facilities for their completion in this respect, has approved, as a temporary measure, of the transfer of Soldiers from the Regular Army to the Staff of the Disembodied Militia, after 18½ years' service, instead of 20, as heretofore.

Lists of such men will be kept at the Horse Guards, and the Adjutant General will, on your applying to him, furnish you with the names of men, and the Regiments to which they belong, to enable you to make the necessary inquiries of their present Commanding Officers as to their character and qualifications.

I have the honor to be, Sir,

## THE VICTORIA CROSS.

---

THE following is a List of the names of those to whom the above Decoration has been awarded, in addition to the ones published in "The Monthly Army Lists" for March and June, 1857 :—

*War Office, 23rd June, 1857.*

The Queen has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officers, Non-Commissioned Officers and Men of Her Majesty's Army, who have been recommended to her Majesty for that Decoration—in accordance with the rules laid down in her Majesty's Warrant of 29th January, 1856—on account of acts of bravery performed by them before the enemy during the late War, as recorded against their several names, viz. :—

**Roy. Art.—Colonel COLLINGWOOD DICKSON, C.B.**—Date of act of bravery, 17 October, 1854 :—

For having, on 17 Oct. 1854, when the batteries of the Right Attack had run short of powder, displayed the greatest coolness and contempt of danger in directing the unloading of several waggons of the field battery which were brought up to the trenches to supply the want, and having personally assisted in carrying the powder barrels under a severe fire from the enemy.

**Roy. Art.—Captain GRONOW DAVIS.**—Date of act of bravery, 8 Sept. 1855.

For great coolness and gallantry in the attack on the Redan, 8 Sept. 1855, on which occasion he commanded the spiking party, and after which he saved the life of Lieutenant Sanders, 30 F. by jumping over the parapet of a sap, and proceeding twice some distance across the open under a "murderous" fire to assist in conveying that officer, whose leg was broken, and who was otherwise severely wounded, under cover; and repeated this act in the conveyance of other wounded soldiers from the same exposed position.

**Roy. Art.—Serjeant DANIEL CAMBRIDGE.**—Date of act of bravery, 8 Sept. 1855.

For having volunteered for the spiking party at the assault on the Redan, 8 Sept. 1855, and continuing therewith after being severely wounded, and for having, in the after part of the same day, gone out in front of the advanced trench under a heavy fire to bring in a wounded man, in performing which service he was himself severely wounded a second time.

**4 F.—Private THOMAS GRADY.**—Date of acts of bravery, 18 Oct. 1854, and 22 Nov. 1854.

For having on 18th Oct. 1854, volunteered to repair the embrasures of the Sailors' Battery on the Left Attack, and effected the same, with the assistance of one other volunteer, under a very heavy fire from a line of batteries.

For gallant conduct on 22nd Nov. 1854, in the repulse of the Russian attack on the advanced trench of the Left Attack, when, on being severely wounded, he refused to quit the front, encouraging by such determined bearing the weak force engaged with the enemy to maintain its position.

**19 F.—Private SAMUEL EVANS.**—Date of act of bravery, 13 April, 1855.

For volunteering to go into an embrasure, thereby rendering very great assistance in repairing damage, under a very heavy fire from the enemy, 13th April, 1855.

**ARTIFICIAL ARMS AND LEGS.**

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

**MEMORANDUM.**

ANY Captain applying to the Secretary of State for War to be appointed a Staff Officer of Pensioners should answer distinctly the following questions as to his qualifications:

- 1st. What is his age? Whether on Full or Half Pay? Whether serving abroad or at home?
- 2nd. Has he completed FIFTEEN years' service on Full Pay, and in what Corps?
- 3rd. What is the date of his Commission as Captain?
- 4th. Has he received the difference when placed on Half Pay? Did he retire at his own request, from ill health, or from wounds?
- 5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners?
- 6th. Has he certificates of ability and fitness from Officers under whom he served?

N.B. Officers under or above the rank of Captain, or whose appointment would involve immediate Brevet Rank, or who, having received the difference, are not prepared to repay it, are ineligible for the appointment of Staff Officer of Pensioners.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

No. 64, HIGH STREET, LEWES;

No. 9, WESTMORELAND STREET, DUBLIN.

Established May, 1844.

EMPOWERED BY SPECIAL ACT OF PARLIAMENT.

THIS Company was established in 1844 for the purpose of opening to the public an easy and unquestionable safe mode of Investment, with a high and uniform rate of Interest.

The plan of the BANK OF DEPOSIT differs entirely from that of ordinary Banks in the mode of employing capital—money deposited with this Company being principally lent upon well-secured Life Interests, Reversions in the Government Funds, or other property of ample value. This class of securities, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the most perfect safety. Further, Loans made by the Company are coupled with a Policy of Assurance on the life of the Borrower, or his nominee, equal in amount to the sum lent, effected at a rate of premium which secures the validity of the Policy against all contingencies, in itself constituting a valuable instrument of collateral security.

Thus depositors are effectually protected against the possibility of loss, whilst the large and constantly increasing revenue arising from the premiums on Assurances thus effected yields ample profit to the Company, and provides for all the expenses of management.

DEPOSIT ACCOUNTS may be opened with sums of any amount, and increased from time to time, at the convenience of depositors.

A receipt, signed by two Directors, is given for each sum deposited.

RATE AND PAYMENT OF INTEREST.

The rate of Interest since the establishment of the Company has never been less than five per cent. per annum; and it is confidently anticipated that the same careful and judicious selection from securities of the above description will enable the Board of Management to continue this rate to Depositors.

The Interest is due and payable in January and July, on the amount standing in the name of the depositor on the 30th of June and 31st of December, and for the convenience of parties residing at a distance, may be received at the Branch Offices, or remitted through Country Bankers.

PETER MORRISON,

3, PALL MALL EAST, LONDON.

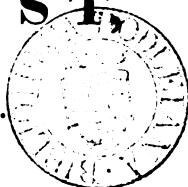

Managing Director.

Forms for opening accounts may be obtained at any of the Branches or Agencies, or they will be forwarded, post free, on application to the Managing Director.

Aug. 1857.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 3 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

### VICTORIA R.

WHEREAS by Our Royal Warrant bearing date the 15th June, 1855, regulations were established for the grant of Pensions to widows of Officers of the Land Forces ; and whereas by the said regulations it is required, in order to give a claim to Pension to the Widow of an Officer dying from the effects of Foreign Service while serving on Full Pay, that such Officer shall have served "*seven*" years, shall have been in good health when he married, and that it shall be clearly shown that the disease which occasioned his death was accelerated by the performance of his duty, and was not the result of constitutional predisposition, misconduct, or any circumstances over which the Officer himself had control : Our will and pleasure is, that hereafter, if any Officer so dying shall have served "*five*" years, his widow's claim shall be admissible, subject to the provisions of Our said Royal Warrant. And it is Our further will and pleasure, that the regulations herein contained, to be administered and interpreted by Our Secretary of State for War, shall from henceforth be the sole and standing authority upon the matters herein contained.

Given at Our Court at Saint James's, this eighteenth day of July, 1857,  
in the twenty-first year of Our Reign.

By Her Majesty's Command,  
PANMURE.

### VICTORIA R.

WHEREAS by Our Royal Warrant of the 1st July, 1848, it is declared that the distinction and rewards for good conduct shall not extend to serjeants and other non-commissioned officers above the rank of corporal ; and whereas it is further declared that corporals shall not be entitled to have their good conduct pay added to their pension on discharge, but that they shall have the option of having their pensions computed as privates, either with the addition of good conduct reward or with the addition of one half-penny per diem for each year of service completed in the rank of corporal : Our will and pleasure is, that all corporals who enlisted into Our service subsequently to the 1st March, 1838, and who may have been or who shall hereafter be discharged after completing twenty-one years' service in the Infantry or twenty-four years' service in the Cavalry, shall be entitled to

have their pensions computed according to the scale prescribed in the second portion of the ninth clause of Our said Royal Warrant, and shall also be allowed to add the good-conduct pay of which they shall have been in possession when discharged, to augment the rate of pension to a sum not exceeding one shilling and sixpence a day.

It is Our further will and pleasure, that all serjeants and other non-commissioned officers above the rank of corporal who enlisted subsequently to the 1st March, 1833, and who may have been or who shall hereafter be discharged after twenty-one years' service in the Infantry or twenty four years' service in the Cavalry, shall be entitled to have their pensions computed according to the scale prescribed in the said article of Our said Royal Warrant; and shall also be entitled to have their service as serjeant reckoned as good-conduct service, to enable them to add to the rate of good-conduct pay which they had acquired prior to promotion, and to carry the whole to increase their pension: provided always, that the amount of pension thus to be awarded shall in no case exceed the maximum pension prescribed by Our said Royal Warrant of the 1st July, 1848; namely, for a serjeant major, two shillings and sixpence a day; for a quarter-master serjeant, two shillings and three pence; and for a troop serjeant major, color serjeant or serjeant, two shillings a day.

And whereas by the fifth paragraph of the twenty-first clause of Our said Royal Warrant of the 1st July, 1848, it is declared that soldiers who had enlisted before the 2nd March, 1833, shall not be entitled to have their good-conduct pay added to their pension on discharge: Our will and pleasure further is, that all such soldiers, except those who have been discharged upon the modified rate of pension, whether privates, corporals, serjeants or other non-commissioned officers above the rank of corporal, who since the grant of good-conduct pay have been or may hereafter be discharged, shall have the option of being pensioned for service alone, without any consideration for good-conduct pay, under the provisions of the Warrant of the 14th November, 1829, or of reckoning their good-conduct pay or good-conduct service in addition to such rates of pension as men of similar length of service, enlisted after the 1st March, 1833, would be entitled to under the provisions of the Warrant of the 1st July, 1848; provided, however, that the pension, except for wounds received in action, shall in no case exceed, for a private, one shilling and three pence; for a corporal, one shilling and sixpence; for a serjeant, troop serjeant major or color serjeant, two shillings; for a quarter-master serjeant, two shillings and three pence; and for a serjeant-major, two shillings and sixpence a day.

Given at Our Court at Saint James's, this twentieth day of July, 1857, in the twenty first year of Our Reign.

By Her Majesty's Command,

PANMURE

## GENERAL ORDER, No. 686.

[The enclosed General Order, No. 686, of the 19th June, 1857, relating to attendance at Regimental Schools, is to be substituted for the one of the same number and date; and which latter is to be returned to the Adjutant-General by return of post.

*Horse Guards, S. W., 3rd July, 1857.]*

*Horse Guards, S. W., 19th June, 1857.*

HIS ROYAL HIGHNESS the General Commanding-in-Chief calls the attention of Officers commanding Regiments, Depôts and Depot Battalions to the condition of their Regimental Schools.

It is scarcely less essential to the soldier to be able to read and write, and keep his own accounts, than to be acquainted with his drill. Without these elementary acquirements no soldier is capable of profiting by the instruction given him in the use of the rifled musket,—his promotion is rendered less probable,—and he is deprived of the interest and improvement derivable from the excellent libraries now placed within his reach.

His Royal Highness, therefore, recommends to Commanding Officers that, for the future, every soldier, after being dismissed from drill, shall be encouraged to attend school, until he is reported upon as sufficiently advanced in reading, writing and arithmetic.

With the concurrence of the Secretary of State for War, no fees are to be required for this attendance at School.

It will be desirable that Commanding Officers should so arrange the duties of the men as to give, if possible, at least *four hours' attendance, each week*, to all men disposed to attend the above class.

No man is to be considered eligible for promotion to corporal, *unless in the field*, who has not been dismissed the above class.

For promotion to the rank of serjeant higher qualifications may be expected. It is not intended, at present, to lay down an absolute rule on the subject; but the attention of Commanding Officers is particularly called, by His Royal Highness the General Commanding-in-Chief, to the importance of carrying the education of non-commissioned officers to a higher point than the mere acquisition of the arts of reading and writing. With this view it must be well understood that those men who avail themselves most intelligently of the means of improvement within their reach, will be generally preferred for promotion, where, in respect to conduct and soldier-like bearing, they are eligible for it; and that neglect so to do will be regarded as a disqualification. It is not, however, intended hereby to fetter the discretion of Commanding Officers in the promotion of men who display conspicuous courage, or show the tact and moral influence which give non-commissioned officers weight with their comrades.

By Command of HIS ROYAL HIGHNESS,

*The General Commanding-in-Chief.*

G. A. WETHERALL,

*Adjutant General.*

WITH reference to the Circular Memorandum of the 9th June, 1856 (copy of which is annexed), regarding the admission of non-commissioned officers to clerkships at out-stations of the War Department, and in the Royal Arsenal at Woolwich, His Royal Highness the General Commanding-in-Chief has much pleasure in making known to the Army, that the Secretary of State for War, with a view of encouraging deserving non-commissioned officers and soldiers, will constitute these clerkships as rewards for good conduct; and that, in future, he will place only on his list the names of such men as His Royal Highness the General Commanding-in-Chief may recommend, and who possess the necessary qualifications, as specified in the Circular before mentioned.

Candidates are, consequently, desired to apply to the Military Secretary to the General Commanding-in-Chief, forwarding the certificates required by No. 2 of the explanatory Memorandum promulgated on the 9th June, 1856, when their names will be recorded in a book kept for that purpose; and twice every year, on days appointed by the Secretary of State, there will be a competing examination, to which such candidates will be admitted.

SIR,

*Horse Guards, S.W., 9th July, 1857.*

It having been decided, with a view of obtaining uniformity in the pattern of knapsacks, that those of the patterns in use previous to 1854 shall be exchanged gratis for knapsacks of the pattern of that year:

You are therefore hereby authorized to make a requisition on the War Office for knapsacks to replace those of old patterns as stated in your Return; and on their arrival, the knapsacks now in use will be handed over in as good order as possible to the nearest Military Store-keeper.

I am further directed to intimate to you the wish of His Royal Highness the General Commanding-in-Chief, that the men under your command should be encouraged to have the stick and strap added to the knapsack according to the new pattern.

The expense of this addition is trifling, and by the introduction of the stick the knapsack will be found to fit more closely to the upper part of the back, and will consequently be carried with greater ease.

The slings may in some instances require to be lengthened by the addition of a small piece of buff at the ends.

I have the honor to be, Sir,

Your obedient humble Servant,

G. A. WETHERALL,

*Adjutant General.*

It having come to the knowledge of His Royal Highness the General Commanding-in-Chief, that parchment certificates of discharge given to soldiers are frequently altered subsequent to delivery by the prefix of the word "Very," or other expletive, to the word "Good" in the character of the bearer, Commanding Officers are hereby instructed, when they wish to record a soldier's character simply as "Good" on his parchment certificate, to write "Conduct Good," by which the possibility of any prefix being afterwards added will be prevented.

**MEMORANDUM.****ARTIFICIAL ARMS AND LEGS.**

THE Lords and others Commissioners of Chelsea Hospital having at the suggestion and recommendation of the Secretary of State for War, made Arrangements for the supply of Artificial Arms (constructed upon an improved principle) and of Artificial Legs (in imitation of the natural leg, both as to form and motion) to those Commissioned Officers who have been wounded in the Service, whose means may not enable them to provide themselves with more expensive contrivances,—it is hereby notified, that such Officers who may be desirous of availing themselves of this benefit, and whose cases may come within the above regulation, should address their applications upon the subject to the Secretary of Chelsea Hospital. It is, however, to be clearly understood, that, as this is intended to be a boon to Officers of the above description, no pecuniary allowance in lieu can be granted to Officers who may prefer providing themselves with other substitutes for limbs.

**MEMORANDUM.**

---

FIELD OFFICERS *who have retired from the Service by the Sale of their Commissions, and wish their Names to be restored to and retained in the ARMY LIST in Italics, will be pleased, in their Applications for this Privilege to the General Commanding in Chief, to state the Dates of their last Commissions, Brevet as well as Regimental, and also that of their Retirements.*

HORSE GUARDS,  
29th May, 1855.

---

ALL FIELD OFFICERS *whose names are allowed to be retained in the ARMY LIST, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Certificate to Her Majesty's Secretary-at-War of their being alive on the 1st January and the 1st July of each year.*

*If such Certificate due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the ARMY LIST.*

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

## Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

## Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Established May, 1844.

**EMPOWERED BY SPECIAL ACT OF PARLIAMENT.**

**T**HIS Company was established in 1844 for the purpose of opening to the public an easy and unquestionable safe mode of Investment, with a high and uniform rate of Interest.

The plan of the **BANK OF DEPOSIT** differs entirely from that of ordinary Banks in the mode of employing capital—money deposited with this Company being principally lent upon well-secured Life Interests, Reversions in the Government Funds, or other property of ample value. This class of securities, although not immediately convertible, it is well known yields the greatest amount of profit, combined with the perfect safety. Further, Loans made by the Company are collaterally secured by a Policy of Assurance on the life of the Borrower, or his nominee, effected at a rate of premium which insures the validity of the Policy against every possible contingency.

Thus depositors are effectually protected against the possibility of loss, whilst the large and constantly increasing revenue arising from the premiums on Assurances thus effected yields ample profit to the Company, and provides for all the expenses of management.

**DEPOSIT ACCOUNTS** may be opened with sums of any amount, and increased from time to time, at the convenience of depositors.

A receipt, signed by two Directors, is given for each sum deposited.

### **RATE AND PAYMENT OF INTEREST.**

The rate of Interest since the establishment of the Company has never been less than five per cent. per annum; and it is confidently anticipated that the same careful and judicious selection from securities of the description above mentioned will enable the Board of Management to continue this rate to Depositors.

The Interest is payable in January and July, on the amount standing in the name of the depositor on the 30th of June and 31st of December, and, for the convenience of parties residing at a distance, may be received at the Branch Offices, or remitted through Country Bankers.
